Fall Council Meeting 2019

Submitted by Vickie Sierchio

PA Questers held the Fall Council Meeting at the William Penn Inn, with 100 members in attendance. President, **Ken Keiser** urged us to continue to recruit new members.

Sharon A. Holt, PhD presented "The Miracle Alliance: Civil War Reconstruction and Women's Suffrage." Dr. Holt is currently Assistant Teaching Professor of History and co-founder/coordinator, Public History minor at Penn State, Abington. In 2020, we celebrate the 150th anniversary of the 15th Amendment giving black men the right to vote, and the 100th Anniversary of the 19th Amendment, providing women the right to vote. Dr. Holt presented a lesser-known story of the interrelationship of the two amendments.

In 1936, James Henry Hammond, a slave owner of South Carolina, was also a member of the U.S. House of Representatives and presented a resolution to cease debate about ending slavery and compensating slave owners for their loss. At the same time, two sisters, Sarah and Angelina Grimke, came out of South Carolina to fight with the abolitionists having been exposed to Quaker beliefs in Philadelphia. They wrote about political matters in their own names and spoke across the US and internationally. Thus, abolition aligned with empowerment of women through their speech and publications. They worked with Frederick Douglas, Harriet Tubman, John Brown, Lucretia LaMott, and other abolitionists. This alliance of black, white, men and women fought to end slavery and raise the role of women beyond being chattel. It resulted in passage of the 15th amendment in 1870 giving black men the right to vote. Unfortunately, women suffrage was put on the sidelines. However, Douglas continued to fight for women suffrage until it was won.

Women fiercely opposed the advice to be patient and felt betrayed by the formerly multi-racial alliance. But fifty years later, after a political showdown during World War I, including imprisonment and torture of suffragists, the 19th Amendment won women the right to vote. Although there continued to be divisions among activists fighting against racism and sexism in the following years, Dr. Holt reminds us of this powerful coalition that once stood shoulder to shoulder and were mighty more than 150 years ago. She asked that we celebrate the anniversary year ahead telling *that* story.

President's Message

Ken Keiser

As my term as your Questers State President ends, it has been my duty and pleasure to have served the Questers of Pennsylvania. As State President I have had the enjoyment of visiting the Western and Northeast Area meetings, attend the Roscommon ten-year anniversary along with tri-chapter induction of officers in Orrtanna; the Doylestown Chapter meetings and the many individual chapter meetings throughout the state, including significant anniversaries, and a 100th year birthday celebration of a PA Questers. I have attended the International Conventions which have been educational with tours of interesting sites in each state. I have enjoyed the opportunity to meet and talk with many Questers across the United States and Canada.

The Board would like to congratulate all the chapters who have given grants and individual donations to various 501c3 organizations throughout Pennsylvania. The PA State contribution for grants in 2020 was approximately \$15,500, added to your individual chapter donations, which total more than \$31,000.

I would like to thank all the Pennsylvania Questers for your support, dedication and commitment to the Questers organization. Thanks to the Pennsylvania Board members who have served with me the past two years for their dedication and hard work to the mission of Questers. To the new incoming officers, I wish them the very best as they provide the services and leadership to the Questers of Pennsylvania. Thank you, Questers, for an amazing two years.

Vice President's Message

Joan Katzenbach
1st Vice President

I joined Questers after my retirement in 2011 and have found Questers to be an amazing organization with many opportunities to serve, knowledge to share, history to preserve, artifacts to restore, and friendships to treasure.

Serving as your 1st Vice President this year has been a pleasure.

I had the opportunity to travel to the Western Area for the Fall Luncheon. Also, as a guest of the New Jersey Questers, I attended their Fall Conference. It was wonderful to meet so many enthusiastic Questers.

We continue to be on a quest to attract new members. Natalie Macy, Membership Chair, and I will hold an informational meeting for a group of residents within the Bucks County Coalition of Senior Communities. They have expressed interest in learning about Questers and possibly forming a new chapter.

Spread the word about the fun, great works and knowledge gained by being a Quester. Invite a friend or acquaintance to your next meeting.

Bess Bardens Society News

Submitted by Barb Krempa

The Bess Bardens Society Fall Luncheon was held October 23, 2019, at the William Penn Inn. Past President, **June Medal**, installed **Karen Goeckler** as current President and **Joan LoCasale** as Secretary for the years 2019 through 2021, after having previously installed **Barb Krempa** as Vice President.

After a short meeting, Marc Sherman, a pianist and vocalist, entertained the members with "Music from the Oscars," best song from a motion picture, spanning 1936 through 1997. The background of each song was discussed, including the composer, the movie from which the song came, and who sang it in the film. He offered the group an enjoyable, and sometimes rousing, musical history lesson.

All Quester members who have served at least one year as a chapter president (plus PA Board members) are invited to join Bess Bardens Society. We meet twice a year for an informative program, lunch and the opportunity to compare chapter notes. Please contact **Karen Goeckler**, 215.672.3430, to be added to the invitation list.

Plan on joining us for the next meeting scheduled for May 20, 2020, at the William Penn Inn, which will feature historical performer, Trish Chambers, offering her rendition of "Rosie the Riveter and Her Sisters, The Women of World War II." She explores not only the contributions of women during the War, but also how they paved the way for the feminist revolution of the 60's.

Left to right: Pam Lahr, Joan LoCasale, Marc Sherman, Karen Goeckler, Barbara Krempa

Membership

Submitted by: Irene Dickenson

Pennsylvania Questers is pleased to report that thirty-three new members have joined over the past six months. This represents eighteen chapters in various areas of the state.

Pennsylvania's Membership chair is **Natalie M. Macy**, and she can supply materials and other information that can be used in recruiting.

A Big Thank You

For the past several years, **Kathleen Gable** has overseen our *P's & Q's Newsletter*. She has received material, made phone calls, organized the rough copy and photographs that went with each article, proofread the information and then sent it on electronically to the printer and made our state newsletter one of the best. At this time, Kathleen has made a difficult decision to pass the torch on to someone else. We will miss your expertise and wish you many years in the Pennsylvania Questers. Thank you for all the hours you have given to our great organization.

*Ken Keiser and the
entire PA Questers Board*

Submission to Ps & Qs

1. Please submit your article by the deadline via email, if possible. Please send articles as attachments. If you do not have access to email, please type article. When sending Chapter News via email, include "*Ps & Qs*" **and your chapter name in the subject line.**
2. Please send articles as Word document attachments. Email pictures as attachments (jpeg format), not in the body of the email. Include captions describing pictures regardless of how they are submitted.
3. Include your phone number in case we have a question.
4. If you have an idea for an article, please feel free to call.
5. We will also be very happy to receive "letters to the editor" with your questions and/or comments.

My Definition of a Quester

A Quester is a socially well-adjusted person who has curiosity, enthusiasm, imagination, and a good memory.

For the greatest powers of the mind are memory and imagination, for without memory we have no past, and without imagination, no future.

Jessie Elizabeth Bardens

Quester Motto:

and a Joy to Find"*

Hope E. McCaffrey PA State President 1998 – 2000

It is with great sadness that we report on the passing of our beloved State President, **Hope E. McCaffrey** on January 15, 2020. Hope was a member of Glen Wynne Questers and served as Pennsylvania State President 1998–2000.

She was truly a dedicated Quester who served as Chairperson on many committees and enjoyed sharing her tea items collection with many Quester Chapters. In 1999, an *Inquirer* interview with Hope ended with this quote, "We are serious students of history looking to preserve our heritage."

Dames of Rocksville #900 Playwicki Farm

Submitted by June Olson

To kick-off for our 40th anniversary PA State President **Ken Keiser** addressed the Dames of Rocksville and shared that Questers is in need of both publicity and younger members. We took this challenge seriously with several new younger members recently joining us.

Our December 3, 2019 meeting marking the end of our 40th year was very special as we remembered the late **Marie Kalberer**, a charter member of the Dames of Rocksville. With a bequest from Marie's estate, a display case was built and installed in the farmhouse at Playwicki Farm in Lower Southampton, PA, to show historical artifacts from several archaeology digs done there over the years. Among the artifacts on display are a workman's steel measuring tape, circa 1920, a sickle with a wooden handle, circa 1880, and a paperweight, circa 1890.

Marie was a generous supporter of the farm, and we know she would be pleased that we have used her bequest in this way. In addition to the Questers, some members of the Playwicki Farm Foundation were present as well as reporters from local newspapers. Several articles with photos were published. We are hopeful that they spark curiosity in readers interested in history and wanting to learn more about the Questers.

Grants and Fundraisers

Submitted by Mary Jane Woll

We had 26 PA State Quester Grant Applications approved by the Executive Board. The total of the Grants to be matched is \$14,028. Thank you to all the Chapters that worked so hard on these grants. It definitely supports our mission of preservation and restoration. We also had three Quester International Grants asked for totaling \$10,900. The PA State Grants will be awarded to the Chapters at the Spring Conference on April 1, 2020. The International Grants will be awarded to the Chapters at the International Conference in Colorado. Please have a Chapter member present at these Conferences to accept the awards.

Fundraisers that include Non-Questers need to be approved by the Executive Board. Please send these requests in a timely fashion so that they can be approved at the Board Meetings. They can be sent to **Mary Jane Woll**, Grants Chair, 931 Hamilton Way, Warwick, PA. 18974, 215-674-4370.

The next date for the PA State Quester Grant Applications is January 1, 2022. So, put your thinking caps on and start planning for your Grants going forward. It is a wonderful way to help keep our history alive. All the Grant and Fundraiser information and forms are on the PA Quester Website. Thank you again for all your hard work and hope to hear from you with your Fundraisers and Grants.

Dames of Rocksville at Playwicki Farm

Brittany Belles Chapter #1405 Pennsbury Manor

Submitted by: Martha Foote

The Brittany Belles' January speaker was Doug Miller, Site Administrator of Pennsbury Manor in Bucks County, PA. His talk gave members many details of William Penn's life, which many of us learned for the first time.

William Penn was born in 1644 into a wealthy family. His father, Sir William Penn, was an admiral in the British Navy. Young William was educated at Chigwell, Essex and Oxford University. About 1680, Charles II gave William land in America as payment of a debt that England owed his deceased father. William had become a Quaker because of his religious principles while still in England, and when he came to America in 1682, it was to provide a refuge for Quakers. He founded the province of Pennsylvania in British North America, his vision being freedom of any religion in the new world, and his democratic principles inspired the United States Constitution.

Pennsbury Manor was built in 1683, and after years of disrepair was reconstructed in the early 20th century. William Penn lived there less than 10 years with his family and then returned to England and died there in 1718.

Pennsbury Manor

Round Meadow Run #126 Explores the Continental Tavern

Submitted by Kathy Baker

In the fall of 2019, Round Meadow Run Questers were treated to an experience beyond their expectations, when they visited the Continental Tavern in Yardley. The tavern is popular today for its cuisine, but it was the tour and the story the old building has to tell that enthralled our chapter.

The pub dates to the mid 1800s and was known as the Continental Hotel at that time. In 2007, it was purchased by Frank Lyons who began restoration to its 1877 style. Frank had no idea of the history that would be revealed in the underground chamber beneath the main floor of the tavern. A tunnel was discovered leading deep into the ground. Historians believe this tunnel was connected to other tunnels leading from the canal and connected the tavern to two other Yardley way stations of the Underground Railroad. The excavation also revealed thousands of artifacts including beer and whiskey bottles, lightbulbs, clay pipes and more all of which are catalogued, dated and are stored in the third floor in addition to being displayed throughout the tavern.

Our group was treated to hear Frank Lyon's daughter Colleen as she recounted her multiple experiences with ghosts that inhabit the third floor, friendly ghosts of African Americans. On our tour Colleen explained the tavern's history and hers with it, mesmerizing her visitors, and our Questers left wondering about the stories yet to come.

The old Continental Hotel as it looked in 1910, now renovated, appearing much the same with large wrap around porch decorative arches.

Dark Valley #222 Visits Cairnwood Estate

Submitted by Frances Pane Kauffman and Findlay Kendrick

Dark Valley Questers **Diana Cormack, Findlay Kendrick, Centa Logan, Kathy Schoner, and Frances Pane Kauffman** arrived in Bryn Athyn, Huntingdon Valley, PA, on September 18, 2019 and were given a two-hour tour of the Cairnwood Estate. It was the home of John Pitcairn, a co-founder of the Pittsburgh Plate Glass Co. who made his fortune in the 1870s investing in coal, oil, and gas. Considered a masterpiece of the Gilded Age, it has decorative elements blending influences from Greek and Roman architecture as well as from the French Renaissance. We had a delicious luncheon in the Garden House that Kathy had supplied. After lunch we were given a two-and-a-half-hour tour of the Bryn Athyn Cathedral, located on the Estate. The stained glass was made on-site in the medieval tradition and was spectacular. We all agreed that this visit was outstanding and several of us vowed to return around the holidays to see the holiday decorations.

Doylestown Area Combined Quester Chapter Luncheon

Submitted by Karen Young

Members from eight Doylestown Area Quester chapters gathered at Doylestown Country Club for their Annual Combined Luncheon hosted by Fonthill Chapter #254. Forty-nine years ago Fonthill originated this event to build camaraderie among the Doylestown Quester groups.

In lieu of her spouse Don, who was unable to attend, **Jo Page** led those assembled in the Pledge of Allegiance. Mr. Page is a nonagenarian survivor of The Battle of the Bulge. Fonthill President **Donna Zebley** then introduced State President **Ken Keiser**, Area Representative and President of Bess Bardens Society **Karen Goeckler**, and three past Pennsylvania presidents. **Karen Goeckler** delivered the invocation.

The program, that was chosen to commemorate the 75th Anniversary of D-Day, was presented by Melissa Jay. Ms. Jay is Collections Assistant in Research and Library Services for Mercer Museum and Fonthill Castle. Her PowerPoint, which was entitled "On the Homefront and Overseas: American Women during WWII," highlighted specific women from PA and Bucks County.

Amid background music of the forties, members mingled and viewed items related to areas of home life in the forties during the social hour. In order to emphasize the patriotic theme, members of the Fonthill chapter dressed as Rosie the Riveter. Guests were encouraged to wear or accessorize with red, white, or blue. Six display tables inside the ballroom held related memorabilia contributed by members. Artifacts included uniforms, photographs, newspapers, ration books, a song book, and a collection of military buttons. Centerpieces that featured red, white, and blue flowers, ribbons, and an American flag decorated the banquet tables.

Chairperson **Judy Volpe** and her committee designed the luncheon to be interactive. A series of three conversation starters about the war were posted at each table to encourage discussion between the courses. Favors included a beribboned packet of sample candy that was popular during those years. In addition, a brochure depicting fashions from that era included a summary of cost of living items from 1940-1945. Mrs. Volpe concluded the program by thanking everyone, who attended, for commemorating and celebrating The Greatest Generation.

Benjamin Rush #1503 Visit to Mummer's Museum

Submitted by: Sharon Emery

On November 13, Benjamin Rush Questers #1503 visited the Mummer's Museum in South Philadelphia at "Two Street" and Washington Avenue.

We learned about the history of the Mummers in Philadelphia and toured a display of some of the most interesting costumes that have appeared in the parade over the years.

The tradition started as a series of neighborhood celebrations. On New Year's Day 1901, the first official Mummer's Parade was held. Today this is an all-day event with 10,000 participants in five different divisions.

To add a touch of realism to the day, we were there when the heat was not working. We had the feeling of what it's like to march in the parade on New Year's Day!

Benjamin Rush Questers tour Mummer's Museum

Shaver Spring #670 Questers Focus On Christmas Carols

Submitted by Patricia Hewitt Choby

The Shaver Spring chapter met at the Indiana Country Club for the annual December luncheon meeting. In conjunction with the Christmas season, the theme was, "The History of Christmas Caroling."

A film was shown on the handmaking of caroling dolls, displayed in the photo above by chapter members.

Entertainment was provided by Dr. Jason Rummel together with the seventh and eighth grade students at Indiana Junior High School singing Christmas carols.

A raffle was held and the winner received a pair of dolls that were donated by the Byers Choice Company of Chalfont, PA. Proceeds from the raffle were donated to a less-fortunate family in Indiana County.

Questers International has a keen interest in keeping Questers alive.

Shaver Spring Questers with Byers Choice Carolers

Conestoga Questers #63 Visit the National Iron and Steel Museum

Submitted by Robin Koslo-Stahl

What was the longest, continually-operating iron and steel site in the U.S.? An excursion to the National Iron and Steel Museum and Historic Houses in Coatesville, PA, proved to be a sterling trip for Conestoga Questers. The Lukens Steel Company takes the honor of not only quality but longevity as well. Our tour began at the 1916 Georgian-style main office and executive center followed by a visit to historic family homes, the Steelworker's Memorial, a giant sonarsphere, and the World Trade Center steel trident (which represents the steel that was used to build the first nine outer floors of the Twin Towers by Lukens). Our guide provided a fact-filled introduction to the people, process and product of this Coatesville steel site, known for producing steel for ships, submarines, and buildings. At the conclusion of the trip, the group enjoyed lunch at another historic site, the Duling-Kurtz House in Exton. For more information on the museum, contact admin@steelmuseum.org.

Conestoga Questers

Pennypack #1386 Visit To Phil Haile's Train Display

Submitted by Marge Eberz

In January Pennypack Questers #1386 enjoyed a visit to Phil Haile's spectacular O gauge Lionel Railroad layout at his home in Warrington. As we opened the doors to the 1500-square-foot garage which housed the layout, we were greeted with walls decorated with Septa signs, train cars and a caboose lamp. A train scene 5-½ feet high encompassing the entire building lay in front of us. A path around the perimeter gave all a chance to see the buildings, many a tribute to local establishments. The Phillies Stadium added in 2008 when the team won the world series, a Hagey Bus carrying students and a Budweiser brewery were a few of the highlights. But it is the amusement park with a working roller coaster and a merry-go-round that grabs the attention of both children and adults.

It is necessary to walk around this display several times to see everything that is happening. Usually two or three trains run on the ¼ mile of track at the same time. Windows below the tracks allow you see what is going on underground. In the center of the layout is Phil controlling the switches for the trains, trolleys, buildings etc.

Phil's love of model railroads began at the age of 5. When he and his wife Carol bought their home, he started with a 4-foot by 8-foot platform in his basement. Over the years, it has grown to the exhibit it is today. But the time has come for the Haile's to downsize and the display in its entirety is now up for sale. Hopefully it will find a new home in our area where people will be able to continue to enjoy it for many years.

Phil Haile's Lionel Railroad display.

**Marquis #461, Moland House #1423,
Neshamini Creekers #1460
A Visit With John Adams**

Article and Photo by Roberta Steinberg, CP Staff

Three Heritage Creek Quester Chapters gathered together on October 16, at the Marq for a presentation featuring John Adams as interpreted by Joe Doyle. The women were interrupted in their greetings to each other by John Adams. As he walked into the room, Mr. Doyle was John Adams, and he brought our first Vice President and second President to life. Doyle starred as John Adams in seven separate runs of the musical 1776. He has spoken at Congress Hall, the National Archives, The Library of Congress, the National Portrait Gallery, schools, and colleges to name a few of his performance venues.

John Adams told the Questers of his defense of the British troops who were tried for their role in the Boston Massacre, the reasons behind the American Revolution, and his friendship and clashes with notables of his time—Benjamin Franklin and Thomas Jefferson, and of his reliance on and abiding love for Abigail Adams.

All events require food, and the Moland House (MH) Questers (who hosted the Marquis and Neshamini Creekers Chapters) provided an abundance of home-made goodies under the auspices of **Sheila McKenna** and the Hospitality Committee. The women enjoyed one another's company and the ability to speak to John Adams himself. **Lois Bell** and The MH Program Committee engaged the speaker.
